www.americanfreepress.net, 1-888-699-NEWS is the only newspaper owned by the editors rather than advertisers. The corporate media is a wizard for the plutocratic elite who have no vested interest in solving our problems, war make them richer. Our war is not with flesh and blood but powers and principalities. The problem is the inequality of power and the opportunity to get even, to become unlimitedly powerful through nuclear technology, to opt out of the petroleum economy, eliminate disease, poverty, taxes, war, and become infinitely wealthy is here. Age reversing telomere stimulation is here and low level nuclear radiation has the same effect as human growth hormone. Nuclear is 8,000,000 times as efficient as coal for generating electricity and magnetism is 29 zeros as powerful as gravity. Why not the Federal Reserve, an un-audited corporation owned by foreigners, become obsolete through progress by utilities that pay you?

There are 3 kinds of law, as one should (divine), as one agrees (common), as told (vulgar). The first Babylonian (central) government alleged the earth was flat, the sun god would not rise if tax was not paid, and human sacrifice the ultimatum. How is war different? "Man must put an end to war or war will put an end to man" JFK

"Inherit the Kingdom at hand having been prepared for you from the beginning (nuclear) of the world" Matt.25:34 If the bible is a scientific instrument, the idea of heaven somewhere else is a Babylonian myth to keep a slave today.
